MEMORANDUM FOR : ~~Director~~ Deputy Director (Intelligence)

SUBJECT : General Reinhard Gehlen's Letter Con-
taining His Views on the World Situation.

1. On 10 August 1953 a letter from General Gehlen to the Director forwarding his views on the world situation was sent to your office. (DD/P 5058) General Gehlen himself prepared this study and it is felt that he attached a good deal of importance to his effort.

2. It would be to the definite advantage of the Agency in its dealings with General Gehlen if an answer recognizing his efforts could be delivered to him in the near future. A personal letter over the signature of the Director containing an appreciative evaluation of the study would, no doubt, be more than welcome.
